BIO FOR ELIZABETH HAGEN

Author, motivational speaker, small business coach, mother and wife. All these titles could easily be applied to Elizabeth Hagen, but there is much more!

In 1985 Elizabeth and her husband Bruce were raising 4 children all under 5 years old. Talk about a wake-up call. Being organized wasn't simply a choice, it was necessary for survival. So in 1992 when the 5th and final child arrived at the Hagen household, Elizabeth had developed a new way of living for her and her family.

Over the past 25 years Elizabeth has also developed tools and systems for her clients. Taking the same motivation she had for her own family to succeed, she has created proven ways for her clients to reduce stress and to save on time, energy and money.

Degrees in both Business and Family and Consumer Science have provided a solid foundation for Elizabeth to share her talents and advice with audiences from all walks of life.

Elizabeth is the author of *Organize with Confidence*, *Confidence: Now is Your Time*, co-author of *Growing Your Business with Confidence* and *Focus, Organization, and Productivity*, and creator of the *Speak Now and Forever Get New Clients Home Study Program*. Through her presentations all across the U.S. and personal coaching, Elizabeth's humor, empathetic honesty, and common sense have encouraged thousands to put her proven strategies and practical tips in place to help them step up to the plate and make something great happen in their life and work.

Elizabeth is a Certified Professional Organizer, past national director of the National Association of Professional Organizers (NAPO) Board of Directors, Golden Circle member of NAPO, member of the MN-NAPO chapter, recipient of the 2010 Los Angeles Organizing Awards Best Organizer as Coach or Mentor Award, member of the National Speakers Association (NSA), member of the NSA-MN chapter, and a Certified Personality Trainer through CLASS (Christian Leaders, Authors, and Speaker Services).

Her mission, whether she is coaching or speaking, is to encourage, nurture, and support an environment of excellence for all those with whom she comes into contact. Taking on new challenges and meeting adversity head on is possible with Elizabeth's help. You can experience the joy of living and working in an environment that enables you to succeed and be extraordinary!
